

How You Can Help Sponsorships

Our goal is to find individual and corporate sponsors to support this unique event and its mission to help three local charities:

Loaves & Fishes - Naperville
Hesed House - Aurora
DuPage PADS - Wheaton

A rousing success in 2008, we welcomed over 1,000 attendees and **provided over \$23,000 to each of the three designated charities.** This year promises to be bigger and better! In 2009, anticipating to host over 2,000 guests, we are excited about the funds it will provide for many local citizens in need. The organizations and individuals that elect to sponsor **Soup's On!** will receive tremendous exposure, significant goodwill and personal satisfaction from their investment.

We appreciate your consideration regarding sponsorship. A wide variety of affordable packages are available. Any questions, please contact:

Why

The Rotary Club of Naperville is an active local organization whose mission is to provide humanitarian assistance to those in need. **Soup's On!** is a family oriented, charitable fundraiser to benefit three local not-for-profit organizations.

The theme **Soup's On!** ties in with the "soup kitchen" concept of feeding people in need – which is a central theme for these three organizations. This event addresses the ever-present need to provide the fundamental necessities – food, clothing and shelter.
